### **ORDINANCES, ELECTIONS & LEGISLATIVE MATTERS**

**James J. DiLisio, Chairperson**

1. The Mayor respectfully submits a communication from City Auditor Deborah Gould regarding a proposed new ordinance concerning Revolving Funds within the City of Attleboro. As you know, the Municipal Modernization Act made a number of changes to Massachusetts General Laws. One of the changes is to M.G.L. Chapter 44 Section 53 E ½ which now requires the City to have an Ordinance for revolving funds established under this statute. As you review the proposed Ordinance you will note that the amount that can be spent annually from each fund is not included in the Ordinance. The amended statute still requires the Honorable Municipal Council to annually vote prior to July 1 of each year the amount that can be expended for each fund during the upcoming fiscal year. As such, the spending limits, or 'Cap' for each approved revolving fund must be part of the annual budget process. In addition, specific to the Solid Waste Revolving Fund the Ordinance has been written to provide for an annual vote of the Honorable Municipal Council to vote the amount of the per unit Solid Waste Fee that is to be credited to the revolving fund, it is imperative that this matter also be contemplated during the budget process.

City Solicitor Lauren Galvin has reviewed the proposed Ordinance and has approved it to form. Therefore, the Mayor hereby requests Your Honorable Body to insert the following as proposed into Chapter 20 Departmental Revolving Fund of the Revised Ordinances of the City of Attleboro:

Chapter 20 Departmental Revolving Fund Ordinance G.L. c. 44 Section 53E1/2

20. Purpose. These revolving funds are established under and governed by General Laws Chapter 44, § 53E ½.

Expenditure Limitations. A department or agency head, board, committee or officer may incur liabilities against and spend monies from a revolving fund established and authorized by this ordinance without appropriation subject to the following limitations:

- A. Fringe benefits of full-time employees whose salaries or wages are paid from the fund shall also be paid from the fund.
- B. No liability shall be incurred in excess of the available balance of the fund.
- C. The total amount spent during a fiscal year shall not exceed the amount authorized by the City Council on or before July 1 of that fiscal year, or any increased amount of that authorization that is later approved during that fiscal year by the City Council and Mayor.

Interest. Interest earned on monies credited to a revolving fund established by this ordinance shall be credited to the general fund.

Procedures and Reports. Except as provided in General Laws Chapter 44 §53 E ½ and this ordinance, the laws, charter provisions, ordinances, rules regulations, policies or procedures that govern the receipt and custody of city monies and the expenditure and payment of city funds shall apply to the use of a revolving fund established and authorized by this ordinance. 2. Should Your Honorable Body approve section 20-13 Animal Shelter Building Fund # 2618, it will be necessary to amend section 9-37 and 9-43 of the Revised Ordinances of the City of Attleboro as the late fee revenue dedicated in those ordinances to the Animal Shelter Building Fund would now be credited to the Animal Shelter Building Fund #2618 and would not be subject to appropriation. To eliminate confusion and provide consistency this could be accomplished by striking the following sentence in Section 9-37.1 "All late fees collected under this provision shall be reserved for the Animal Shelter Building Fund, subject to future appropriations." and in Section 9-43 by striking "All late fees collected under this provision shall be reserved for the Animal Shelter Building Fund, subject to further appropriation."

3. Finally, and as importantly the amended version of M.G.L. Ch 44 § 53 E ½ eliminated the caps on the amount that could be spent from the revolving funds authorized for a particular department and in total from all revolving funds. The City sought a special act in fiscal 2006 to increase the caps imposed by the old version of M.G.L. Ch 44 § 53 E ½. 'An Act Increasing the Expenditure Limit on Revolving Funds in the City of Attleboro' copy attached. Unfortunately, what the City achieved with its Special Act now imposes greater limits on the City under the amended statute. Therefore, the Mayor hereby requests Your Honorable Body repeal Attleboro's Special Act - An Act Increasing the Expenditure Limit on Revolving Funds in the City of Attleboro.
