2017 FIREWORKS WILL BE HELD AT ATTLEBORO HIGH SCHOOL

Every year the City of Attleboro presents a spectacular display of fireworks. **This year, our celebration will be on Monday, July 3, 2017 (rain date on Wednesday, July 5, 2017)** for residents of the City to celebrate our nation's birthday, and demonstrate our love for our country and our pride in our freedom. The fireworks have not been funded by the City budget since 1994. This has proven to be quite a challenge for a small group of volunteers to raise enough funds to support the event by collecting donations at local Dunkin Donuts establishments.

Our hope is to surpass last year's display and to present our best show ever. However in order to make that happen we need to raise approximately \$40,000.00 for this year's event to cover the cost of public safety, fireworks and entertainment.

We are asking the Attleboro community to come together and help us by making a small donation.

The event will be held at **Attleboro High School** and will offer entertainment and food vendors followed by the spectacular fireworks display at 9 P.M. The Recreation Department's free "Kidz Day" at Poncin Hewitt Field will be held on Tuesday: July 4th from 9 a.m. to noon.

A banner will be hung at the Fireworks event informing the public of the major contributors who helped fund the event. Any business or individual who donates \$300.00 or more will have their name placed on the banner. (Deadline to have name (s) placed on the banner is June 09, 2017). Contributions are tax deductible and a check should be made payable to the **Attleboro Fireworks Fund**. Please fill out the donation form at the bottom of this letter and mail both the form and your donation to Ken Owens c/o The Attleboro Fireworks Fund, 77 Park Street, Attleboro, MA 02703.

Our sincerest appreciation to you for helping us to bring this fantastic firework display to our community and to celebrate our nation's birthday (Independence Day). Thank you for your support.

Attleboro Fireworks Co-Chairpersons Ken Owens, Kate Jackson (WARD 4), Julie Hall (AT-LARGE) and the Members of the Attleboro Fireworks Committee
