AHS BUILDING PROJECT

Review of agenda for Saturday June 9th CM interviews.

MOTION was made, and duly seconded to approve payment of invoice #17 from Kaestle Boos in the amount of \$997,400 dated May 31, 2018.

THE MOTION PASSED UNANIMOUSLY

MOTION was made, and duly seconded to approve payment of invoice #20 from Skanska, Inc in the amount of \$15,860 dated May 7, 2018.

THE MOTION PASSED UNANIMOUSLY

At 5:55 p.m. all members proceeded to mini auditorium for Kaestle Boos presentation.

Joe Milani provided a design update.

Vice Chair, Jacobi requested a traffic study for the new driveway entrance and asked that consideration be given for an additional traffic circle to slow down traffic on Rathbun Willard Dr.

Architect, Craig Olsen reviewed areas of consideration for changes/updates which include-securing building for after hours use, opportunities to display student art work in hallways, organization of central office into one suite, and a gathering area near main entrance for use before/after school. Designers continue to meet with school staff to determine best use of space in 2nd floor classrooms.

Mark Schatz, Schwart Silver reviewed schematic design elevation and design to define four houses. The south side elevation was reviewed; café in center, auditorium on right, gymnasium on left. It was suggested to reduce the height of auditorium and gym which allows for the cafeteria to be more pronounced. Slope of roof changed for auditorium. Entry perspective elevation reviewed. Window design was reviewed.

MOTION was made, and duly seconded to accept the changes to the interior design and continue with interior design development.

THE MOTION PASSED UNANIMOUSLY

MOTION was made, and duly seconded to direct KBA to continue to develop alternative exterior front elevation designs, without accepting or rejecting what was presented to the committee.

THE MOTION PASSED UNANIMOUSLY

MOTION was made, and duly seconded to accept the design changes to the rear elevation, with a preference for vertical as opposed to a horizontal window design scheme.

THE MOTION PASSED UNANIMOUSLY
