To Whom It May Concern,

Due to the installation of a new water main on Rathbun Willard Drive, it will be necessary to temporarily shut down the water that is feeding your dwelling. The water interruption will go from 7:00 AM to 3:00 PM on Monday, August 5<sup>th</sup>. We regret the inconvenience and will do everything we can to minimize the duration. Please make necessary arrangements to have water on hand during this period.

If you have any questions, you can contact the following:

Mike Croteau - Walsh Contracting Corp (Utility) Superintendent (508)726-1510  
Robert Crear – Walsh Contracting Corp (Utility) Project Manager (508)222-1435  
Dave Gorman – Consigli Construction Co. (GC) Site Superintendent (508)458-0589

The City of Attleboro Water Department has been notified and is aware of the shut down.

Thank You
