The City’s request for Certification of Free Cash is reduced by any special revenue funds that are in deficit at June 30th. Therefore, in order to avoid such a deduction, the Mayor hereby requests Your Honorable Body appropriate \$19,595.05 from Account 11241000-578300 (City Wide – Reserve Fund for Transfer) to Account 11241000-599000 (City Wide – Other Financing Uses); and to further transfer \$19,595.00 from Account 11241000-599000 (City Wide – Other Financing Uses) to Fund 3532-499000 (MassWorks – Other Financing Sources). PUBLIC WORKS
Kate M. Jackson, Chairperson

1. The Mayor respectfully submits a communication from Acting Superintendent of Water Paul Kennedy regarding the need for additional funds for the replacement of the air conditioning unit at the Water Treatment plant. Therefore, the Mayor hereby requests Your Honorable Body appropriate \$48,750.00 from Account 6100-359000 (Water Enterprise Fund – Retained Earnings) to Account 6100-584052 (Water Enterprise Fund – AC Unit).
2. Therefore, the Mayor hereby requests Your Honorable Body transfer \$350.00 from Account 6100-578300 (Water Enterprise Fund – Reserve Fund) to Account 6100-574010 (Water Enterprise Fund – Insurance).
3. In an effort to reduce the City’s electric cost, the Mayor has directed Scott Folan in my office to explore a Solar Net Metering Agreement with Douglas Solar L.L.C. As such, the Mayor’s Office is seeking to enter into a 20 year (240 month) Net Metering Agreement with a private solar facility located in

Douglas, Massachusetts. This agreement has been reviewed by City Auditor Deborah Gould and approved by City Solicitor Robert Mangiaratti.

The solar facility is owned and operated by Douglas Solar, L.L.C. which is wholly owned by ConEdison Development, a subsidiary of Consolidated Edison, Inc. Douglas Solar L.L.C. is offering the City of Attleboro 25% of the solar facility's production at a 20% discount (approximately 800 MWh/year). We have negotiated a cap in our consumption commitment at 1,000 MWh/year (in the unlikely event that the solar facility's production capacity should increase).

The energy produced at the solar facility will partially offset the City of Attleboro's load via the National Grid Account #77889-57001, which powers street lights in the City of Attleboro. The street light account annually consumes approximately 1,600 MWh/year, well above the maximum allocation of 1,000 MWh/year thus eliminating the City of Attleboro's exposure to the risk of under consumption of electricity.

The City of Attleboro will receive 100% of the monetary credit monthly. The City of Attleboro has negotiated to retain 20% of the credit and will subsequently be invoiced monthly by Douglas Solar L.L.C. for the remaining 80% of the credit. The retained 20% credit should result in approximately \$20,000 worth of revenue annually.

In accordance to M.G.L. Chapter 30B, Section 12, subsection b, any contract exceeding 36 months, must be authorized by the local government body. Therefore, the Mayor respectfully requests Your Honorable Body to approve a 20 year (240 month) Net Metering Agreement with Douglas Solar L.L.C. as soon as possible to initiate a reduced monetary burden for the City of Attleboro.

PUBLIC SAFETY & EMERGENCY MANAGEMENT

Peter Blais, Chairperson

1. As you may recall, the City of Attleboro signed the Community Compact Agreement with Lieutenant Governor Karyn Polito July 2, 2015. The Community Compact Program is designed to offer municipalities a stronger affiliation with the Commonwealth and its State Agencies by allowing municipalities the opportunity to identify best practices and implement them with the assistance from the Commonwealth.

In concert with the Community Compact, I am pleased to announce that the City is in receipt of a grant in the amount of \$25,000.00 to seek accreditation of the Attleboro Police Department. The Police Department will sustain, develop and implement proper policies and procedures within the department. This will include updating current Police Department policies and creating new policies where needed in order to be in concert with best practices in the policing field that fit within the organizational structure of the department. There is no matching requirement for this grant. In accordance with Chapter 1, Section 12 of the Revised Ordinances of the City of Attleboro, the Mayor hereby requests Your Honorable Body approve expending of such funds and any future grant amendments.

2. As you are aware, insurance claims greater than \$20,000.00 require a vote of the Municipal Council before insurance reimbursements can be processed for any expenditures. The Fire Department's Ladder 2 was involved in an accident on February 2, 2016 and the total damages will exceed \$20,000.00. Therefore, the Mayor hereby requests Your Honorable Body to authorize the expenditure of insurance proceeds from Account 2501220-580000 (Insurance > \$20,000.00 Fire-Capital Outlay).
