ZONING & LAND USE
Jonathan Weydt

1. The Mayor respectfully submits a communication from Director of Planning and Development Gary Ayrassian regarding a conservation restriction for property located on Bishop Street, more specifically Assessor’s Plat #200, Lot #19. The purpose of the conservation restriction, which will be co-owned by both the Conservation Commission and the Attleboro Land Trust, will ensure that the 14.39± acre land mass will be forever retained predominantly in its natural and “open” condition. It abuts Finberg Field, other real estate owned by the Attleboro Land Trust, as well as private property. Upon approval, the conservation restriction will be forwarded to the Executive Office of Environmental Affairs for signature. Once signed, the conservation restriction will need to be recorded by December 31, 2015. Therefore, the Mayor hereby requests Your Honorable Body to accept the conservation restriction offered by the Attleboro Land Trust and to place it under the stewardship of the Conservation Commission.
2. In July 2015, the Mayor informed you that the Department of Planning and Development filed a Local Acquisition for Natural Diversity (LAND) grant application with the Commonwealth’s Executive Office

of Energy and Environmental Affairs (EOEEA) to purchase a Conservation Restriction on 57.68± acres of contiguous land located on Wilmarth Street for conservation and open space purposes that are to be set-aside under the stewardship of the Conservation Commission. The EOEEA grant is a reimbursement grant and therefore, the City must appropriate the full project cost of \$459,250.00 — \$450,000.00 to purchase the property and \$9,250.00 for associated project expenses. The Commonwealth, through the EOEEA, will disburse the grant funds as a reimbursement after the purchase has been completed. The mandatory local cash match for the purchase of the Conservation Restriction and associated project costs is \$151,040.00. This project will not advance forward without the State grant.

The following language is a prerequisite in order to be eligible for the grant award:

Therefore, in anticipation of the grant award, the Mayor respectfully requests that the Municipal Council to appropriate \$459,250.00 from Fund 8455 - 599000(Stabilization Fund – Other Financing Uses) to Fund 3539 - 499000 (EOEEA – Wilmarth – Other Financing Sources) to execute this transaction, to authorize the Mayor to file the LAND Grant application, to seek reimbursement under the LAND grant program, to enter any necessary contracts thereto, to permanently dedicate the property for conservation open space and passive outdoor recreation purposes pursuant to MGL Ch. 40, §8C for the enjoyment by the general public, and to place the property under the care and control of the Conservation Commission; and

The Mayor respectfully request that the Municipal Council to authorize the City, pursuant to §1–12 Gifts to the City of Attleboro of the Revised Ordinances of the City of Attleboro, as amended, to expend the LAND Grant (MGL Ch. 132A, §11) approximately in the amount of \$308,210.00 from the Executive Office of Energy and Environmental Affairs of the Commonwealth.

BUDGET & APPROPRIATIONS

Brian F. Kirby, Chairperson

1. As you may recall, on October 16, 2012 (vote #11) Your Honorable Body unanimously supported a Cash Reserve Policy that, among other things, indentified two clear goals: (1) establish a target balance for the City’s Stabilization Fund; and (2) develop a schedule of annual appropriations designed to gradually reach and sustain the target balance for the City’s Stabilization Fund over time. In keeping with that Cash Reserve Policy, each year for the past three (3) years the Mayor has submitted to Your Honorable Body a request to transfer \$282,000.00 to the City’s Stabilization Fund. The Mayor is now proud to submit to Your Honorable Body a request for the fourth (4th) contribution of \$282,000.00. Therefore, I hereby request Your Honorable Body to Appropriate \$282,000.00 from Account 1000-359000 (Undesignated Fund Balance/Free Cash-General Government) to Account 11241000-596000 (City Wide - Stabilization Fund).
2. In the Mayor’s May 19, 2015 Communication to Your Honorable Body, he requested a \$400,000.00 appropriation from the Stabilization Fund in order to cover a portion of the FY2015 snow deficit. As the Mayor stated in that request, it was his intention to return those funds back to the Stabilization Fund once Free Cash was certified. On June 2, 2015 (Vote #14) your Honorable Body approved that appropriation. Therefore, and as promised, the Mayor hereby requests Your Honorable Body to appropriate \$400,000.00 from Account 1000-359000 (Undesignated Fund Balance/Free Cash-General Government) to Account 11241000-596000 (City Wide - Stabilization Fund).

3. As you may recall, on March 18, 2014 (Vote #10) Your Honorable Body approved a \$510,000.00 appropriation from the Stabilization Fund) as the full amount required to acquire land on Handy Street for conservation open space and passive outdoor recreation. As you may further recall, the City received a grant in the amount of \$340,000.00 from a LAND Grant from the Executive Office of Energy and Environmental Affairs (EOEEA) for this project, which has since been transferred back into the Stabilization Fund by Your Honorable Body (Vote #9 of October 7, 2014). The Mayor now believes it is fitting to return the remaining \$170,000.00 to the Stabilization Fund, which represents the mandatory local cash match for the purchase of the property and associated project costs. Therefore, the Mayor hereby requests Your Honorable Body appropriate \$170,000.00 from Account 1000-359000 (Undesignated Fund Balance/Free Cash-General Government) to Account 11241000-596000 (City Wide - Stabilization Fund).
4. On February 25, 2014 (Vote #3), Your Honorable Body approved a \$194,453.54 appropriation from the Stabilization Fund in order to satisfy a finding from HUD on our CDBG program. Although these funds were reallocated to an eligible activity for the City to use on a project that satisfies a national objective of the CDBG program, the Mayor believes it is fitting at this time to reimburse the Stabilization Fund. Therefore, the Mayor hereby requests Your Honorable Body appropriate \$194,453.54 from Account 1000-359000 (Undesignated Fund Balance/Free Cash-General Government) to Account 11241000-596000 (City Wide - Stabilization Fund).

In July 2015, the Mayor informed you that the Department of Planning and Development filed a Parkland Acquisitions and Renovations for Communities (PARC) grant application with the Commonwealth's Executive Office of Energy and Environmental Affairs (EOEEA) for the design and renovations of Angell Park located on Park Street that include new playground equipment and surfacing, new fencing around the playground, rejuvenation of the open lawn area including additional trees and landscaping, irrigation system, site furnishings including picnic tables and benches, decorative lighting, and improvements to the memorial area. The EOEEA grant is a reimbursement grant and therefore, the City must appropriate the full project cost of \$680,000.00. The Commonwealth, through the EOEEA, will disburse the grant funds as a reimbursement after the project has been completed. The mandatory local cash match for the project is \$280,000.00. This project will not advance forward without the State grant.

The following language is a prerequisite in order to be eligible for the grant award:

Therefore, in anticipation of the grant award, the Mayor respectfully requests that the Municipal Council to appropriate \$680,000.00 from Fund 8455-599000 (Stabilization Fund – Other Financing Uses) to Fund 3535-499000 (Angell Park Renovations – Other Financing Sources) to execute this transaction, to authorize the Mayor to file the PARC Grant application, to seek reimbursement under the PARC grant program, to enter any necessary contracts thereto, to permanently dedicate the property for active recreation and playground purposes pursuant to MGL Chapter 45, §3 for the enjoyment by the general public, and for the property to permanently remain under the care and control of the Park Commission; and

The Mayor respectfully requests that the Municipal Council to authorize the City, pursuant to §1-12 Gifts to the City of Attleboro of the Revised Ordinances of the City of Attleboro, as amended, to expend

the PARC Grant approximately in the amount of \$400,000.00 from the Executive Office of Energy and Environmental Affairs of the Commonwealth.
