The Department docketed these petitions as D.P.U. 15-93, D.P.U. 15-94, D.P.U. 15-95, D.P.U. 15-96, D.P.U. 15-97, D.P.U. 15-98, D.P.U. 15-99, D.P.U. 15-101, D.P.U. 15-102, D.P.U. 15-103, D.P.U. 15-104, D.P.U. 15-105, and D.P.U. 15-106, respectively.

General Laws c. 164, § 134 authorizes a municipality to procure a contract for electric supply on behalf of electricity consumers within its municipal borders. Eligible consumers not already enrolled with an alternative electric supplier will be automatically enrolled in the municipal aggregation program unless they chose to "opt out" in which case they would remain enrolled on basic service provided by their electric distribution company (*i.e.*, Massachusetts Electric Company d/b/a National Grid, or NSTAR Electric Company, d/b/a Eversource Energy depending on the consumer's location).

To implement each aggregation program, the Municipalities each seek Department approval of their respective Plans. The Municipalities' filings include a form competitive electric service agreement, which will be negotiated with potential competitive suppliers. The Municipalities also seek a waiver, on behalf of any competitive supplier selected by the Municipalities, of certain information disclosure requirements contained in G.L. c. 164, § 1F(6) and 220 C.M.R. § 11.06(4)(c).
