Attleboro, Massachusetts 02703

Phone 774-203-1850 ♦ Fax 508-223-2271

### **New Water Services:**

- 1.) A Massachusetts licensed plumber must complete the “Application for Supply of Water” and pay the associated fee before a meter installation will be scheduled.
- 2.) The Water Department will supply and install a 5/8” Orion meter with a double check valve loosely attached to the outside of the meter. The Water Department will not supply meters larger than 5/8”. Larger meters must be purchased through the Stiles Company, located at 922 Pleasant Street in Norwood, MA. The phone number for the Stiles Company is 1-800-426-6246.
- 3.) **Installation Requirements:**
  - Setup must be front side accessible.
  - The meter must be set no higher than 4 feet and no less than 2 feet from the floor.
  - The meter must be installed horizontally and include a meter connection on the City side and a double check valve on the property side, with the meter swivel to be purchased with the meter.
  - Meter piping must be secured to the wall.
  - Meter pits will not be permitted.
  - Please see attached diagram.
- 4.) **Plumbing Inspection:**
  - Inspection must be performed by the City Plumbing Inspector.
  - Plumbing Inspection: 508-223-3733
- 5.) It is required that the water service be turned on by an employee of the Water Department *only*. Fines may be assessed if the water is turned on by someone other than an employee of the Water Department.
