- 
1. Western Fields Substantial Completion
    - a. Substantial completion as of 1/6/21, which mean the warranties kick in and the school/city takes ownership and maintenance of fields. OAC has discussed at length. Consigli, KBA, and Skanska all reviewed and recommend

accepting substantial completion. There are still 18 punch list items valued at \$188,200 (shared with SBC). All items are priced at the cost to the city to do the item, which is far greater than the contractor cost, making it well worth their while to finish itmes. Contractor will be on site for other work for the duration of the project. The fields will be added to the city's insurance coverage

VOTE recommend to Mayor to accept Western Fields Substantial Completion passes 14-0
