Dear Resident,

On **Friday August 05, 2022**, the City of Attleboro will begin final paving on Thatcher Street and South Avenue (Rte. 123) to Snell Street, as part of the Rathbun Willard Drive Improvement Project. In order to minimize impacts to traffic, residents, emergency response vehicles, and businesses, the final paving work will be conducted in the **overnight hours**. There will be detouring of both northbound and southbound traffic to keep vehicles out of the work zone. The work is weather dependent. We recognize that roadway construction may also bring dust and noise. Please accept our advance apologies for any inconvenience caused.

Your patience is very much appreciated. If you have any questions, or need more information, please contact me at 508-223-2222, ext. 3161 or by e-mail at dpwsupervisor@cityofattleboro.us.

Respectfully,

Michael R. Tyler
